White Card, Glue, Sponge

Step by Step Instructions

Step 1

Cut a piece of black card 29.6cm x 14.8cm and score at 14.8cm to make a black square card blank (approx 6" x 6").

Step 2

Use low tack tape to fix the Paper Cuts Jasmine Edger die to the middle of the card front and die cut it.

Step 3

Die cut another Jasmine edger on a smaller piece of black card and fussy cut around the embossed die shape so you have the full design.

Step 4

Colour the front of this Jasmine cut out with the Lemon Sherbet Lustre Polish to give a subtle lustre finish.

Step 5

Glue the lustred Jasmine cut out to the back of the card blank Jasmine, slightly offset so you can see a little glitter.

Jasmine Rainbow Card

Step 6

Cut a piece of white card 14cm x 14cm.

Step 7

Use the Cosmic Shimmer Polishes in turn to colour stripes down the white square cards in Rainbow colours - Bubblegum, Tangy Tangerine, Lemon Sherbet, Lime Burst, Electric Blue & Purple Paradise

Step 8

Cut 2 strips of white card 1cm x 14.8cm.

Step 9

Colour these strips with the Bubblegum and Tangy Tangerine polishes with the pink blended into the orange strip.

Step 10

Sponge a little black gesso around the edge of the 2 strips and the rainbow square and leave to dry.

Step 11

Use the CE Bubble Burst 3D folder to emboss the 3 coloured cards.

Step 12

Glue the 2 coloured thin strips to the front left-hand side of the card leaving a 5mm gap between them.

Step 13

Glue the rainbow striped square to the inside of the card blank with the pink edge on the right-hand side.

Step 14

Die cut the floral spray part of the edger another 2 times in black card and snip out the 3 flower and 2 flower sprays.

Step 15

Glue the sprays to the 4 corners of the rainbow panel.

Step 16

Die cut the Happy Everything sentiment once in white card and another out of black card.

Step 17

Glue the black Happy Everything onto the white one with it slightly offset so you can see a white highlight at the upper and left-hand side of the sentiment.

Step 18

Glue this sentiment to the centre of your card, at an angle.
