- WW2974** Woodware Blend-it Blending Tool

These handy tools will make your card creation process much simpler!

Spray bottle, Die cutting machine, Heat Tool

Step by Step Instructions

Step 1

Cut bright white cards to 14.5 x 29cm score and fold at 14.5cm to make a card blank. Colour watercolour card by blending a mixture of distress inks across the surface.

Step 2

Spritz with water to mix the colours. Dry with a heat tool.

Step 3

Die cut the Stardust background from the inked watercolour card. Cut icicle card 14 x 14cm and glue to the front of the background piece.

Step 4

Attach the layered piece to the card front. Cut out a frame to fit 14.5cm from Icicle card using the Noble Dies double piece square. Attach to the card front using foam pads.

Step 5

Die cut the angel and wings and peace sign out of icicle card. Attach to the angel using foam pads. Glue the Angel to the right side of the card. Cut Christmas Wishes sentiment from icicle card and some of the offcut inked card. Glue the two together slightly offset to give a shadow.
