These handy tools will make your card creation process much simpler!

Spray bottle, Die cutting machine and Foam tape

Step by Step Instructions

Step 1

Cut coconut white card in half length wise. Fold one piece in half to form the base card. Cut the other piece to 9.5 x 14.cm. Apply Cosmic Shimmer Chalk Cloud ink straight onto your workspace using a smoothie sponge. Spray some water to dilute the ink. Dip the smaller piece of coconut white card and let dry or dry with a heat tool and repeat until the card is covered with the Chalk Cloud ink.

Step 2

Apply blue Lagoon ink on the card with a stencil on the right side. Turn the stencil so the pattern is upside down and apply it again to the left side.

Tip: For a continuous pattern overlap the stencil across the card.

Step 3

Cut the sentiment 3 times from spare coconut white card and glue them together. This will add some dimension to the card.

Step 4

Colour a card strip as described in step 2, with a bit more green.

Step 5

Apply Cosmic Shimmer Ultra Sparkle Paste with a palette knife and the Waves stencil. Allow to dry.

Step 6

Colour a card strip measuring 2.5 x 14.3cm as described in step 2.

Step 7

Using the Flower die and coconut white card, cut 5 top layers and 1 shadow layer. colour 4 flowers using Chalk Cloud inks as in step 2. Colour the edges of 1 flower with Blue Lagoon ink. Use Ultra Sparkle paste to colour the shadow layer.

Step 8

Position all the pieces on the base card. Glue into place. Glue the remaining flower layers together and attach it to the strip to finish the card.
