## Step by Step Instructions

**Step 1**

Trim Old Rose Card to 20.5cm wide. Fold in half creasing with a bone folder to reinforce the fold and create the base card. Cut black card to 14.2cm x 20cm. Attach to the front of the base card.

**Step 2**

Colour the Coconut White card with the distress inks using the blending tool.

Step 3

Spritz the water to blend the colours.

Step 4

Cut inked Coconut white card to 14cm x 19.5cm. Position the mask over random areas of the inked card and wipe over lightly with a baby wipe (make sure its not too wet to prevent seeping under the mask) then use a paper towel to dry. Lift the mask to reveal the pattern. Glue to the card blank.

Step 5

From Raven Black card, cut 3 curly flourishes from the 'Layered Loop' die set and four frames using the 'You're One In a Million' die. Trim out the wording from three.

Step 6

Using the base die from the 'You're One In a Million' die set cut out 4 circles from the inked coconut white card. Stamp the fairies and elves onto three of the circles.

**TIP:** Do not stamp too close to the edge because of the frame.

Step 7

Glue the 'You're One In a Million' frame onto one of the coloured circles. Add the circle frames to the stamped image circles. Attach the circles to the card with the raised foam. glue the flourishes into place behind the circles. Embellish with black pearls to finish.
