

## Paris Postcard

### You will need:

- A5 Coconut White Card
- Woodware Stamp Sets: Paris Postcard **FRS754** ; Paris Elements **FRS755**
- Woodware Trio Stencil **FRST016**
- Cosmic Shimmer Shimmer Shaker - Electric Blue **CSPMSSELECT**
- Cosmic Shimmer Colour Cloud - Lime Burst **CSPMCCLIME**
- Cosmic Shimmer Glitter Kiss - Sky Blue **CSGKSKY**
- Black Archival Ink **ARCHBLK**

- Craft sheet
- Stamping Platform
- Acrylic Blocks; various sizes to fit the Paris Elements stamps
- Creative Expressions Smoothies **CESMOOTH**
- Mister bottle, half filled with water
- Water brush
- Paper towel

### Step 1

Add a few drops (depending upon depth of colour required) of Cosmic Shimmer Shimmer Shaker to a mister bottle half filled with water. Shake thoroughly. Gently mist the mix across an A5 piece of Coconut White card. Mop any excess with paper towel and allow to dry.

### Step 2

Stamp the Paris Postcard stamp at an angle towards the middle of the card using Archival black ink. Stamp the smaller Paris Elements to fill gaps across the card, using Archival black ink.

### Step 3

Use the water brush to gently dilute any background around the images, as desired.

### Step 4

Using the smoothie, sponge Cosmic Shimmer Colour Cloud ink through the Trio stencil randomly across the design.

### Step 5

Add touches of Cosmic Shimmer Glitter Kiss in areas, smudging with your finger.
