Step by Step Instructions

Using the template below cut out a cross card. Here we have used Vanilla Pearl Card.

Step 2

Next using the Remember Stamp set, stamp an image in Versafine Extra Black ink and another using Versamark. Cut out the first image and heat emboss the second image using Cosmic Shimmer Detail Gold embossing powder and cut out in a circle using Sue Wilson Double Stitched Circle dies (middle die of the set) I've coloured my image using Distress inks, Barn Door, Peeled Paint and Walnut Stain.

Step 3

Mount onto a Gold Mirror Card die cut circle.

Step 4

Next cut two mat and layers in black for the centre of the cross, these measure 5.5cm x 17.5cm and 6.5cm x 13.5cm. Lay one over the other in the centre of the cross. Heat emboss the "lest we forget" sentiment in gold at the bottom of the middle panel.

Cut two mat and layers from black card measuring 3.5cm x 17.5cm and heat emboss in gold the smaller foliage image in the stamp set at the bottom of each panel. Add these to the outer panels of the Cross Card. Then add the circle image to the middle of the cross raising it up on foam pads.
